

ABSOLUTE BLACK

## ABSOLUTE BLACK

- Absolute Black is a granite originally from India that has a uniform color and texture. Our curated collection includes tiles and slabs in multiple finishes and sizes, along with complementary products like Mosaics, trims, and veneers.
- Its Black color profile varies depending on the finish. It's known for a distinctive granular appearance and minimal movement, also resistant to abrasion and chemicals.
- We offer 12x12, 12x24, 18x18, and 24x24 sizes, each available in Flamed, Honed, or Polished finishes. Our 18x36 size is exclusively available with a Flamed finish.
- Absolute Black Slabs are also available in 2CM and 3CM in Brushed, Flamed, Honed, and Polished finishes.
- This material brings ultra-durable luxury to floors, walls, and countertops. Absolute Black Granite delivers lasting durability and distinction, a perfect choice for indoor and outdoor applications in climates with freezing temperatures.
- Absolute Black Granite remains the first and foremost choice for commercial and residential applications. An ideal material to bring a visual contrast.
