

FLAT PEBBLES

FLAT PEBBLES

- NSR's Flat Matte Pebble tiles provide a range of monochromatic neutrals and vibrant combinations, suitable for everything from sleek, modern designs to those with a rustic allure.
- This product comes in mesh mounted sheets. Each sheet is 12" X 12". Thickness: 3/8".
- Every stone is precisely cut to uniform thickness and arranged on an interlocking mesh to create a flat surface, guaranteeing a seamless finish, and simplifying the installation process.
- A matte finish lends a refined touch, rendering these pebble tiles perfect for both interior and exterior floors and walls, shower floors and walls, backsplash, steam shower wall and floors, pool surrounds and landscape design ideas.
