QUARTZITE

- NSR's versatile Quartzite collection includes tiles imported from India which feature mosaics, and trims in various finishes. Our small Tumbled tiles come in a range of 3x6, 4x4 and 6x6. Our field tile sizes are available in 12x12 and 16x16 in either a gauged or polished finish.
- Quartzite is recognized for its layered appearance and textured surface, which gives it a natural look.
- Quartzite is an excellent material for enhancing both outdoor and indoor spaces. It can serve as a striking focal point or a harmonious backdrop that complements natural surroundings. With its rustic charm, durability, and unique appearance, quartzite is a fantastic choice for both exterior and interior design.
- Quartzite marketing displays include 3x6 samples, library boards 7x7 and 7x14 ID cards, and catalogs.
