A close-up photograph of a garden bed. The foreground is filled with smooth, rounded, light-colored pebbles in shades of beige, tan, and grey. To the left, a concrete path is visible. In the background, there are several purple flowers with yellow centers, likely asters, and a large, textured concrete pillar. The text "POLISHED LOOSE PEBBLES" is overlaid in white, sans-serif font in the center of the image.

A close-up photograph showing a person's hand holding several smooth, white, ultra-polished pebbles. The hand is positioned in the lower-left quadrant, with fingers slightly curled to support the stones. The pebbles are highly reflective, showing bright highlights and soft shadows. The background is a dense field of similar pebbles, creating a textured, repetitive pattern. The overall lighting is soft and even, emphasizing the smooth texture and uniform color of the stones.
