COLOR STUDIO / SHAPES & COLORS

The new AVORA Digital Binder is now available!

The AVORA Digital Binder is your complete resource for creating custom recycled glass projects.

It features all 129 recycled glass colors in both rectified cast and non-rectified cast finishes, along with samples of our most popular shapes, making it easy to select the perfect combination of colors and formats for your design.

Contact **csr@nsrstone.com** for more information or to request a copy.

ARTISTIC

Individually cut glass pieces are shaped and placed to achieve intricate details, fluid forms and expressive imagery. A crafted approach that allows each composition to follow the creative vision.

PIXEL

Full-size glass shapes become the building blocks for custom patterns, graphics and imagery.
Color and repetition bring each composition to life with precision and rhythm.
